

Riplock Embossed 700 has been designed and inspired by the need for a strong versatile fabric with an extensive contemporary colour palette complementing a wide range of uses. The Riplock base cloth gives high levels of strength & durability while the embossed surface finish offers excellent scratch resistance ensuring a long-lasting PVC with many general purpose applications including tonneau covers, trailer covers, caravan, camping & leisure bags & covers, heavy duty sports equipment & most domestic cover applications. Riplock Embossed use only the highest quality virgin grade PVC resins, UV stabilisers and importantly made using non-toxic DiNP plasticisers which are REACH, RoHS and VCA certified.

## Product information

## Certifications

## Stock Availability

Roll Widths (mm): 3.2 Meter  
Roll Lengths (mtrs): 2100mm x 30m / roll

## Weight

• 700 g/sq.m

## Durability

## Printing

## Eco Response

## Basic Physical Data

## Thermal Data

Heat Resistance: +70 °C  
Cold Resistance: -30 °C

 **Physical Characteristics**

|                          |                                      |
|--------------------------|--------------------------------------|
| <b>Tearing Strength</b>  | 55.0 / 50.0Kg                        |
| <b>Environmental</b>     | Meets ROHS, REACH & VCA requirements |
| <b>Welding</b>           | 11.20 Kg/5cm                         |
| <b>Adhesion</b>          |                                      |
| <b>Weight</b>            | 700 g/sq.m                           |
| <b>Yarn / Scrim</b>      | 1300 / 1300 Denier                   |
| <b>Tensile Strength</b>  | 360 / 320.0 Kg/5cm                   |
| <b>Density / Threads</b> | 20 / 20 Per inch                     |
| <b>Surface Finish</b>    | Matt embossed finish                 |
